Dear sisters, brothers in Christ,

We greet you in the name of our Redeemer Jesus Christ. The community of Sisters "Abaja ba Kristo" is very thankful to God who allowed us to move in the New Year 2024. As the Psalmist said in Psalm 117 "Praise the Lord, all you nations; extol him, all you peoples. For great is his love toward us, and the faithfulness of the Lord endures forever". Praise the Lord.

So, everyone has the reason to thank God and praise him for what he is and has done in our lives despites some difficulties and hard moments. We take this opportunity to wish you again a happy new year 2024, full of hope, security and healthy relationship with our Lord Jesus Christ.

When we look back at the ended year 2023, we found that our community has been marked by some wonderful events. We Celebrated the Christmas in enthusiastic climate as a remembrance of Jesus salvation and how he came to give us love, hope and joy.

John 3:16-17 says, "For God so loved the world that he gave his one and only Son, that whoever believes in him shall not perish but have eternal life."

From the same period , the beginning of the New Year 2024 has been a good moment of prayers, joy and festivity not only for sisters but also for all Rwandans who were happy to be given by God the occasion to step in a new year.

Also, the community of Abaja ba Kristo has been blessed to celebrate the engagement of a new sister Florence TWAGIRAMARIYA who ended her time of observation and started the sisterhood life by entered in the 1 st phase of formation that will take 4 years. We are thankful to God who continue to send committed sisters for his work.

From the same mission, the community of Abaja ba Kristo welcomed two young Ladies Ernestine TUYISHIMIRE and Angelique NYANDWI .They started the time of observation that will take a period of one year. Let us together to pray for them in order to be strengthened by the Holy Spirit in this new undertaken journey.

Dear friends, let us together glorify God for his wonders. After revealing national results from the 2023 academic year, our technical school (RTSS) has been ranked on the 2nd place country wide among hundreds of technical secondary schools. It has been a great honor for CD-ABK us the school owner, parents and students in particular. We recognize the efforts of various stakeholders that helped the school to reach this accomplishment.

Beloved, I pray that all may go well with you and that you may be in good health, as it goes well with your soul (3 John 1:2)
